

PREMIUM CARE DESERVES PREMIUM PAYMENT PROCESSING

Nextech Payments supports high-ticket transactions, automated revenue, and a brand-aligned checkout — **all embedded directly into your Nextech workflow.**

On-brand Checkout Experience

Effortless payment reinforces your brand and turns checkout into part of the premium experience.

- Contactless, tap-to-pay, and digital wallet options
- Patient financing for high-ticket procedures (Affirm)
- Elegant, simple checkout; no clunky terminals or paper receipts
- Premium experience clients expect from luxury brands

Effortless Revenue Flow

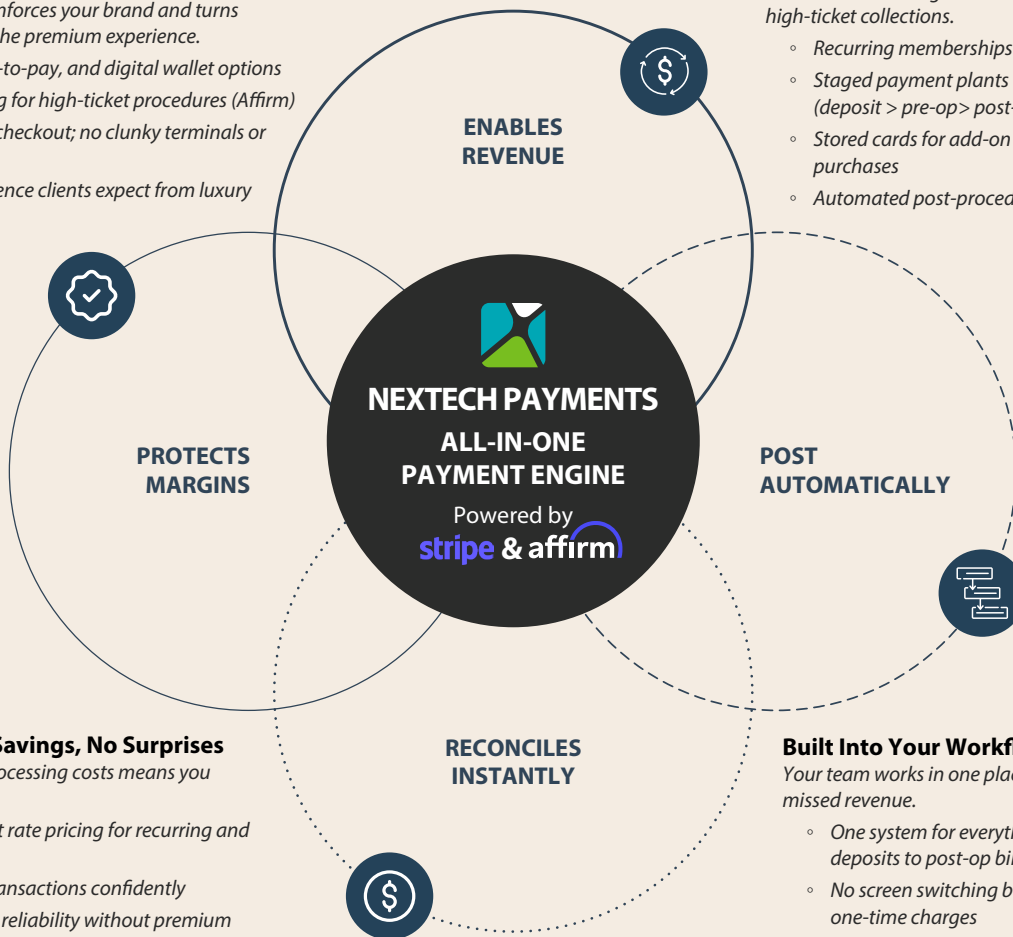

Predictable recurring revenue plus streamlined high-ticket collections.

- Recurring memberships bill automatically, 24/7
- Staged payment plans for procedures (deposit > pre-op > post-op)
- Stored cards for add-on treatments and product purchases
- Automated post-procedure balance collection

Flat Rates, Real Savings, No Surprises

Clear visibility into processing costs means you can price confidently.

- Transparent flat rate pricing for recurring and high ticket
- Process large transactions confidently
- Stripe-powered reliability without premium processor fees
- Protect margins on memberships and procedures
