

GIVE PATIENTS FLEXIBILITY. GET PAID FASTER.

Nextech Payments delivers automated workflows, transparent pricing, and omnichannel flexibility so your team can **spend less time on billing and more time on patient care.**

A Faster, Healthier Revenue Cycle

Collect balances quickly, reduce back and forth, and close your books faster.

- Automated payment posting and reconciliation
- Stored cards for easy post-procedure collection
- Post-EOB billing without manual outreach
- Unified dashboards for instant visibility

Extra Easy Payment Without Extra Work

Payment flexibility means more convenient collection and less staff time on AR.

- Accept payments in-office, online, and by text or phone
- Stored cards for instant post-EOB collection
- Frictionless checkout during high-volume hours
- No manual statements, calls, or paper processing

Flat Rates, Real Savings, No Surprises

Predictable costs mean you can budget accurately — no more fee creep.

- Surcharge options
- Flat-rate transaction fees
- Zero hidden costs
- No monthly minimums
- No surprise charge

Built Into Your Workflow

From pre-op deposits to post-EOB balances, every transaction flows through one system.

- Syncs with your PM and financial tools
- Payments post automatically, from intake to post-procedure billing
- No separate vendors, toggling, or logins
- Saves staff time at every step
